Drukwerk - X4_2010 PDF export settings for Adobe InDesign 2026

In this field it is very important to select the proper colour conversion settings yourself:

- please check with your output provider which ICC profile is appropriate, or select the ICC profile that was used for converting images to CMYK in PhotoShop or InDesign.
- For Drukwerk - X4_2010, we recommend you to use the ISOcoated_v2_300_eci ICC profile

Colours in your document will change if:

- objects in RGB colour space with or without ICC profiles are used in the document
- CMYK objects with different ICC profiles are placed in the document
